<ul style="list-style-type: none"> • Not feeling well • Some problems breathing • Mild wheezing • Frequent cough • Complaints of chest tightness • Shortness of breath • Needs a break from activity • May have a cold <p>*DO NOT LEAVE STUDENT UNATTENDED</p>	<p><input type="checkbox"/> Administer Rescue Medication (Name, route, dose, frequency, time): _____</p> <p><input type="checkbox"/> If no improvement in 10-15 minutes: Repeat above dose of Rescue Medication</p> <p>Continue controller medicines:</p> <p><input type="checkbox"/> As listed in Green Zone</p> <p><input type="checkbox"/> Change to this: _____</p> <p><input type="checkbox"/> Add: _____</p> <p>Additional Physician Instructions/Comments: _____</p> <p>Keep student in health room until symptom-free.**Notify parent/guardian.</p> <p>If child is in Yellow Zone more than 24 hours or is getting worse, follow Red Zone.</p> <p>Parent/Guardian to call provider if student is not better in 5 days or sooner if symptoms getting worse.</p>

RED ZONE	<p align="center">DANGER! MEDICAL ALERT. Take these medications and get help now!</p>						
<ul style="list-style-type: none"> • Feeling awful • Breathing hard and fast • Nose opens wide • Ribs sticking out • Can't talk well • Medicine not helping • Trouble walking • Unable to sleep, work or play 	<p><input type="checkbox"/> Administer Rescue Medication NOW (Name, route, dose, frequency, time): _____</p> <p>If symptoms worsen or no improvement 10-15 minutes after Yellow Zone treatment and relative cannot be reached, call 911.</p> <p>*Call 911 immediately if the student has any of the following:</p> <table border="0"> <tr> <td>Decrease in level of consciousness</td> <td>Struggling to breathe</td> <td>Trouble walking or talking</td> </tr> <tr> <td>Chest and neck pulled in with breathing</td> <td>Lips or fingernails gray/blue</td> <td>Cannot restart activity</td> </tr> </table>	Decrease in level of consciousness	Struggling to breathe	Trouble walking or talking	Chest and neck pulled in with breathing	Lips or fingernails gray/blue	Cannot restart activity
Decrease in level of consciousness	Struggling to breathe	Trouble walking or talking					
Chest and neck pulled in with breathing	Lips or fingernails gray/blue	Cannot restart activity					

PHYSICIAN ONLY:**Please check the appropriate box and sign below**

- I have instructed this student in the proper way to use his/her inhaled medications. It is my professional opinion that he/she should be allowed to carry and use this inhaled medication by him/herself.
- It is my professional opinion that this student should not carry and use his/her inhaled medication by him/herself.

I have reviewed and approve the plan above for this student.**Physician Signature:****Date:****PARENT/GUARDIAN CONSENT:**

- This student is capable of self-administration and may carry medication & self-administer (if physician has approved above). Yes No
- I request and authorize that this medication be administered at school by school personnel.
- I will supply medication in its original, updated, properly labeled container.
- This order is in effect for this school year unless otherwise indicated.
- I will obtain a new physician's order and notify the school in writing of any changes.
- I authorize school personnel to exchange information verbally or in writing with my child's physician regarding this medication or the conditions for which it is prescribed.
- I further understand that parent/guardian/responsible adult should deliver all medication to the school.
- I give my permission to have my child's photo displayed on this form and the school critical health alert form.
- I give permission to designated school personnel to notify other appropriate school personnel and classroom teachers of medication administration and possible adverse effects of the medication.
- I understand that non-medically trained school personnel will give medication.
- I agree to hold the School District, its employees, and agents who are acting within the scope of their duties harmless in any and all claims arising from the administration of this medication at school.
- My signature indicates that I have fully read and understand the above information.
